

## **§ 2610.202**

### **§ 2610.202 Net worth exhibit.**

(a) Each applicant, except a qualified tax-exempt organization or cooperative association, must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in § 2610.105(f)) when the underlying adversary adjudication was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this part. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(b) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled "Confidential Financial Information," accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b)(1)–(9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the Office, but need not be served on any other party to the proceeding, if any. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request by another party or the public to inspect or copy the exhibit shall be resolved in accordance with the Office of Government Ethics' established procedures under the Freedom of Information Act.

## **5 CFR Ch. XVI (1–1–02 Edition)**

### **§ 2610.203 Documentation of fees and expenses.**

The application shall be accompanied by full and itemized documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rates at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The adjudicative officer may require the applicant to provide vouchers, receipts, logs, or other documentation for any fees or expenses claimed, pursuant to § 2610.306.

### **§ 2610.204 When an application may be filed.**

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding. An application may also be filed when the demand of the Office is substantially in excess of the decision in the proceeding and is unreasonable when compared with such decision. In no case may an application be filed later than 30 days after the Office of Government Ethics' final disposition of the proceeding.

(b) For purposes of this rule, final disposition means the date on which a decision or order disposing of the merits of the proceeding or any other complete resolution of the proceeding, such as a settlement or voluntary dismissal, becomes final and unappealable, both within the Office and to the courts.

(c) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed or has been subjected to a demand from the Office substantially in excess of the decision in the adversary adjudication and unreasonable when compared to that decision, proceedings for the award of fees shall be stayed

pending final disposition of the underlying controversy. When the United States appeals the underlying merits of an adversary adjudication to a court, no decision on an application for fees and other expenses in connection with that adversary adjudication shall be made until a final and unreviewable decision is rendered by the court on the appeal or until the underlying merits of the case have been finally determined pursuant to the appeal.

### **Subpart C—Procedures for Considering Applications**

#### **§ 2610.301 Jurisdiction of adjudicative officer.**

Any provision in the Office's rules and regulations other than this part which limits or terminates the jurisdiction of an adjudicative officer upon the effective date of his or her decision in the underlying proceeding shall not in any way affect his or her jurisdiction to render a decision under this part.

#### **§ 2610.302 Filing and service of documents.**

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in § 2610.202(b) for confidential financial information.

#### **§ 2610.303 Answer to application.**

(a) Within 30 days after service of an application, counsel representing the Office may file an answer to the application. Agency counsel may request an extension of time for filing. If agency counsel fails to answer or otherwise fails to contest or settle the application within the 30-day period, the adjudicative officer, upon a satisfactory showing of entitlement by the applicant, may make an award for the applicant's fees and other expenses under the Act.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may

jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted for good cause by the adjudicative officer upon request by agency counsel and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of agency counsel's position. If the answer is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the answer either supporting affidavits or a request for further proceedings under § 2610.307.

#### **§ 2610.304 Reply.**

Within 15 days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under § 2610.307.

#### **§ 2610.305 Comments by other parties.**

Any party to a proceeding other than the applicant and agency counsel may file comments on an application within 30 days after it is served, or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

#### **§ 2610.306 Settlement.**

The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded, in accordance with the settlement procedure applicable to the underlying procedure. If an eligible prevailing party and agency counsel agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.
